REF. 068681

Essential for safety, the APOLLO+ 5-9/9-13 G TRUE COLOR optoelectronic hood protects the welder's face and eyes from UV, infrared and splashes. Fully automatic, the mask switches from clear to tinted state in a fraction of a second as soon as it is primed. Comes with a headband, it frees the welder's hands and offers all the necessary comfort for welding work.

CHARACTERISTICS

- XL Screen
